## *Notes from the Editor*

Jubilee plans are hot off the press - please find enclosed a purple flyer with all the details you need to join in the celebrations. Badingham will join communities throughout the UK and across the Commonwealth as beacons are lit to mark the Platinum Jubilee. Then, bring along your picnic on the Sunday and we'll provide the tea and cake.

There is a long tradition of celebrating royal jubilees, coronations and weddings in Badingham. Take a look on YouTube and you will find *Badingham Celebrates the Silver Jubilee*. Outdoor fun on the Rectory meadows was followed by party games and dancing in the Village Hall. I make a brief appearance, looking very serious as I take instruction before running the little tots race! How many faces can you recognise?

We have counted nine youngsters at the time of the 1953 Coronation celebrations who still live in Badingham. Bob has shared his memories - what can you add with your own recollections?

Last month I took my nephew to the Bird Box afternoon, organised by Karen and Janet. He thoroughly enjoyed himself - first to arrive and last to leave! We hope lots of children will join in the jubilee fun. There are competitions to make a crown and colour in royal pictures to keep them busy before the celebrations.

I hear on the grapevine that the White Horse is soon to re-open. We must thank Lisa and Mark for the huge efforts they made to transform the pub.

Take care, Tish

## COMMUNITY COUNCIL

### Laughter & Dancing

What a busy couple of months! In March Peter Holloway and the “Reverend” Michael Underwood entertained us with a Suffolk-style variety performance of comedy, magic and music. Peter is indeed talented giving us music performances on trumpet and harmonica, along with his own brand of Suffolk humour. And the “Reverend” Michael entertained with a very Cooper-esque style of comical magic. All served up with hot food and a bar!

Then in May the very talented Syzewell Gap were in town providing the music for a fantastic Ceilidh. We sold out our ticket allocation for this event that was postponed from 2020. I can safely say that everyone young and old thoroughly enjoyed themselves, and I don't think too many feet got trodden on that night!

### Secretary Wanted!

Once again, I'm renewing my plea. The BCC committee is looking for a new secretary to help with the administration of the community council. We meet every other month and we really need someone who can manage agendas and compile minutes of meetings. If you think you can help please get in touch. Thank you.

### COMEDY & MAGIC NIGHT

What a fantastic evening! Thank you to all who attended and organised this fun-filled evening.

# BADINGHAM CELEBRATES THE PLATINUM JUBILEE

Over the last couple of weeks (thank you to those who have gone to the meetings) the Community Council, the Parish Council, the Café, Enterprise Badingham and residents of Badingham have been putting together plans for the Jubilee celebrations. I hope everyone will take this opportunity to come along, join in and have fun celebrating 70 years of the Queen's reign.

## Beacon Lighting

**Thursday 2<sup>nd</sup> June at Colston Hall at 9pm**

70 years ago, a beacon was lit at Colston Hall to celebrate the Coronation of the young Queen Elizabeth II. At 9.30pm a beacon will be lit once more to celebrate her 70-year reign. Surely, back then no one could have possibly imagined that 70 years later we would be celebrating a Platinum Jubilee.

Taking place on the same field margin as before, there will be the Royal Proclamation, a Loyal Toast (drink provided), a Prayer for Suffolk and the flying of the Suffolk Flag.

There will be parking, kindly provided by John Bellefontaine, but please walk if you can. A few reserved spaces will be available for those with limited mobility, so they can be parked nearer. If you require one of these spaces please get in touch on 638453.

This is a family, once-in-a-lifetime event, so children are of course very welcome. I'm sure lasting memories will be made but please understand that it will be dark and, therefore, all children **MUST** be fully under adult supervision. We ask that everyone keeps to the marked areas for their own safety.

# BADINGHAM CELEBRATES THE PLATINUM JUBILEE

## Big Jubilee Picnic

**Sunday 5<sup>th</sup> June at St John the Baptist  
Churchyard, Low Street**

11.00 am - Church Service

12.15 pm - Dedication of the "Treebilee" oak,  
recently planted in the churchyard as part of the Queen's Green  
Canopy project

12.30 pm – The Big Jubilee Picnic

This is a bring-your-own picnic. The Café is kindly supplying some cakes and tea as well and there will be ice creams for children. The BCC is generously providing funding towards the celebrations.

There will be games and goody bags for children taking part in the competitions, including:

**Make-a-Crown Competition** – bring along a crown you have made at home

**Colouring Competition** – please colour in the picture in this Echo and bring it with you

There will also be a display of rare photographs of the Queen's reign in the Church chancel.

# BADINGHAM CELEBRATES THE PLATINUM JUBILEE

## The Big Jubilee Photograph

We think this is a very important part of the celebrations. To capture the event for future posterity, we'd like everyone to take part. However, we will need consent for children to be photographed so it will be made clear when this is happening. We hope to make copies available for a nominal cost in the future.

3 pm – Free Draw for a £50 Amazon voucher. There is a small coupon in the corner of the Jubilee flyer delivered with this Echo. Just fill in your family name, cut it out and bring it with you. You must be present at the draw to receive the prize!

We still need volunteers to help so please contact me:

## A Historical Memory

I am old enough to remember the big Coronation Celebrations we had in Badingham in 1952. Held at Colston Hall, it was a terrible wet and miserable day but, adults and children alike, just got on with it. The final event was the lighting of the beacon, which was a massive bonfire. After dark everybody gathered round and the fire was lit. Well, they tried many times to light it, no success. Everybody gradually drifted off home, AND YES, by midnight the beacon came to life, all on its own, and Badingham skies were well lit up. I went in the morning with my Dad to help clear up and all there was left was a heap of ash!

The site of this year's Platinum Jubilee beacon is about 50 yards away from the original coronation beacon, on the opposite side of the road.

Bob

Victor has told us that the Red and White Horse Chestnut trees at the end of the drive to Colston Hall and on the opposite side of the road, were planted to commemorate the coronation.

We have lots of exciting events planned for the summer at the café.

Our walkers meet every Wednesday at the café. These **Wednesday Walks** are very popular and it is now rare to have less than a dozen or so walkers who all enjoy a coffee and a chat in the café afterwards. All are welcome to join in the walks with this friendly group.

We have decided to add weekly **Thursday Strolls** - walks at a more leisurely pace and with a focus on observing and connecting with the nature around us. The first stroll is planned for **Thursday 9th June**, just turn up at the café at 10am.

**Une Soirée Gourmande** - We have a special French evening planned for **Friday 15th July** (the day after Bastille Day) - an evening of fabulous gourmet food courtesy of **Thierry Aubugeau** and French music with Accordionist Extraordinaire **Hugh Barwell**. This has already sold out, but if you would like to be added to the waiting list, please email the café at [badinghamshopcafe@gmail.com](mailto:badinghamshopcafe@gmail.com)

Didn't hear about it? Email the café to add your name to our Café Friends list so that you get the info about all our events.

There is another chance to sample gastronomic delights and gentle music in the glorious ambience of the café terrace and Caroline's garden as we have a **Tapas and Tunes** night on **Friday 12th August** at 6pm.

If you came to one (or both) of our T & T nights last year, you will know that Wendy and Richard cooked up a real treat. Wonderful and varied dishes seemed to keep appearing all evening, the company was convivial and both evenings were a summer's delight (despite the weather!) Once again Syzewell Gap will be playing folk tunes to accompany your meal.

There are no **Sunday Teas** in June because of the Jubilee celebrations. Nor will we be having Sunday Teas in July but Karen and Clark will be serving cream teas again on **Sunday 7th August**. Sit back, relax and enjoy a Sunday afternoon treat of scones and cream or a savoury scone with cheese or a slice of cake.....and of course the cafe is open every **Wednesday and Thursday morning 10.30 - 12.30** for hot and cold drinks, scones and cakes and a chance to catch up with friends and neighbours or meet new people in the village.

Once again, a huge thank you to our brilliant team of volunteers and bakers, without whom the café could not open. Want to join the team? You know what to do!

See you at the café soon,

# **Enterprise Badingham**

## **Bird box making afternoon**

On 14<sup>th</sup> April Enterprise Badingham hosted a bird box making session at the village hall. The event was organised in collaboration with Charlie from Suffolk Wildlife Trust, who led the afternoon, ably supported by a volunteer, Richard. They brought everything we needed to make the bird boxes and, as it was a beautiful day, we decided to work outdoors.

A lively group of families participated with great enthusiasm and a good number of well-made bird boxes went home to be placed in local gardens. In addition, some bird and bat boxes were built for the churchyard and these will be placed on trees there very soon. There was a great atmosphere during the afternoon, with everyone helping each other. Some of the children were experts with a hammer!

Charlie sent an email after the event commenting that it was a really lovely community occasion. We are grateful to Suffolk Wildlife Trust for their support and encouragement, which enabled such a special afternoon to happen.

# BADINGHAM PARISH COUNCIL

I was welcomed to the meeting by the Chair as your new clerk and RFO and hope to meet as many of you as possible over the coming months.

We also had a new member, Lisa Sweeney, co-opted as a Parish Councillor. With a lot of business experience, we are confident Lisa will bring a lot to the PC. However, we still have 3 vacancies. If you would like to have a voice for the issues that concern you within Badingham, please consider giving a little of your time each month to the PC so that you can make a real contribution to the village. Full details of what is involved are listed in the last issue of the Echo.

Please note that the new parish website is up and running. We would like it to be a focus for all the different groups in Badingham so please email the clerk with content (and photos if possible) about your group so we can start to add these as time allows. The new web address is: [www.badingham.org.uk](http://www.badingham.org.uk). Any suggestions or additions are most welcome as it is a work in progress.

The annual Audit has been completed with only a few recommendations required which are currently being addressed. All the Audit documents can be viewed on the new website under Parish Council / Finance and Audit.

The Annual Meeting of the Parish (APM) is being held on Friday 20<sup>th</sup> May at 7pm in the village hall. This is **YOUR** meeting and your opportunity to bring any concerns you have without the time constraints of a normal Parish Council meeting. It is open to all village groups and organisations and parishioners so do please come along. The agenda is on the notice board.

New signage will be ordered for Pocket Park as suggested by the ROSPA report. It has been highlighted about ensuring the emergency access at the park is not blocked by vehicles and a sign will be put up to this effect. Other actions required by the report are carried forward to the next meeting.

Arrangements for the Jubilee celebrations are underway – please see the separate article. We hope to see as many of you as possible at the weekend events.

The next meeting is on Thursday 26<sup>th</sup> May at 6.30 pm in the Village Hall. Note this is the AGM for the Parish Council where the Chair is elected each year. Members of the public are always welcome to attend meetings. The following monthly meeting will be held on Thursday 23<sup>rd</sup> June (note meetings will generally be on the 4<sup>th</sup> Thursday of each month).

Caroline Emeny, Parish Clerk/RFO

## **‘Treebilee’ - a new oak planted in the churchyard**

2022 heralds a year-long Platinum Jubilee celebration throughout the United Kingdom, the Commonwealth and around the world, as communities come together to celebrate Her Majesty the Queen’s glorious and unprecedented 70-year reign.

A major part of the celebration is the creation of living and lasting memorials, courtesy of a project launched by HRH Prince Charles, affectionately called ‘Treebilee’, where people across the UK are being urged to plant trees to mark this special occasion.

Badingham Parish Council has elected to take part in this project and has been gifted one of 200 English oak trees by East Suffolk Council. It was planted in the Churchyard by Bob Foster in February 2022, and he had kindly made an excellent metal frame to protect it from wildlife.

Tree planting is an important way to help tackle climate change, so this is a great opportunity to contribute to a practical environmental project, creating a lasting legacy. Symbolising royalty, patriotism and strength, the English Oak tree has made an enormous historical contribution to landscape, biodiversity, culture and economy.

Oaks grow to an average of 20m in height and a mature oak can host up to 5,000 different species of invertebrate that will form the basis for a healthy food chain that benefits birds and mammals. As the tree grows and ages, it will develop cavities, crevices, dead wood and other features that plants and animals love.

Trees also naturally absorb CO<sub>2</sub>, a key greenhouse gas, through the process of photosynthesis, helping to create a significant carbon sink, to benefit everyone through a natural process.

When oaks reach 400 years old, they are considered ancient trees; some can live for over 1,000 years. A small dedication ceremony will take place on Sunday 5th June, following the 11am Church Service, when a plaque will be put in place.

# Dr Dan Poulter MP

## Member of Parliament

for Central Suffolk and North Ipswich

The Covid pandemic has disrupted international supply lines for many of the goods and services that we previously took for granted, the consequence being an increase in inflation, which drives up the cost of living.

This challenge is now further compounded by war in the Ukraine and whilst our thoughts are quite rightly with the people of Ukraine, we must also recognise the need for the UK to become more self-sufficient in the future, and less reliant on imported goods - particularly food and energy.

Ukraine was the biggest international producer of fertiliser and the biggest exporter of wheat. As a result of the war, there has been considerable disruption to supplies, leading to increases in the cost of many food stuffs in our shops, such as bread and breakfast cereals.

Looking ahead, we simply must produce more of our own food. By protecting and supporting our farmers and food producers, we also protect consumers by keeping food prices in the shops lower in the long run.

Here in Suffolk, our farmers stand ready to rise to the challenge of producing more locally-grown food, but we must also look to support them better. We've heard from our farming leaders that they are concerned about "crippling" labour shortages and I'd like to see the Government look at improving current immigration policies, as well as at the Skilled Workers Visa scheme, to try and help tackle this issue.

We also need to step down our reliance on an overseas workforce to plug our seasonal workforce gap. To achieve this, we need to develop homegrown talent – make the sector appealing to work in, develop a greater vocational offer and bring forward and support our next generation of farmers and food producers. Where appropriate, I would also like to see greater support become available, allowing our farmers to diversify and support the appropriate roll-out of solar energy, whilst simultaneously recognising the need to protect our precious farmland from inappropriate housing development.

We need to start protecting and supporting our own food producers. We need to start listening more to our farmers and, where is practicably reasonable, better protect farming land for food production.

The war in the Ukraine has brought much into perspective - the importance of protecting freedom of speech, the importance of improving our energy security, and the importance of increasing our food security. If we want to keep food prices in the shops down in the long run, perhaps it is time we thought not just in terms of fair-trade shopping, but of supporting local. It is only through supporting our local farmers and food producers that we will help to keep prices down for consumers and hard-pressed families.

If you enjoy driving and have some spare time, you may be just the person we are looking for to support Connecting Communities. Thousands of journeys are made possible through the support of volunteer car and mini bus drivers. Volunteers support all sorts of journeys, including doctor, dentist & hospital appointments, shopping, meeting up with friends or connecting with bus and rail services to get to college.

**Route 522 from Peasenhall to Leiston, via Saxmundham**

Buses leave Chapel Street, Peasenhall at two hourly intervals from 07:53 to 13:53, calling at Waitrose Saxmundham at 08:16 to 14:16 and Leiston High Street at 09:26 to 15:26. Returning to Peasenhall at 09:52, two hourly to 15:52.
