Sustainable initiatives.

Explanatory Notes

multiplies by 'x' number of cuts per annum

Clerk investigating possible funding 4/7/22

No further dog bins required. A 'Stick 'n Flick' policy to be encouraged as an alternative. The bench at top end of Mill Road is very instable - Cllr Mountain to inspect.

To be included on a mini survey of residents

PC earmarked grant

Clerk to approach the local walking group to enlist their help. Email sent 4/7

PC grant. Meeting arranged for 5/7 to progress

Grant received.

Could possibly accommodate some at Pocket Park?

Clerk has put article in Echo re contacts for various Highways incidents and sent to the Chair. Already put on the website.

Where does it flood and how often? Maintain a relationship with the local landowner (R Rous) to request all ditches are kept clear and maintained. Flood at the bottom of Mill Road due to blocked drain

Keeping all informed

Clerk to encourage all groups to feed back info for inclusion

Agreed we are already achieving this

PC

All done in accordance with the regulations and on time.

Done every 2 months

To be included on the August agenda - maximum of 6 questions to be included in The Echo i.e. a mini survey of residents

Agreed that some Cllrs to go on Planning training to enable this. To agree at the next meeting who will be trained on which modules.
